

Charitable Donations & Sponsorship Requests

I am sorry to have to bring this to everyone's attention again, but it is due to a couple of charities complaining to me about the number of requests they are getting for sponsorship or project funding.

I reiterate Scout HQ instructions on this that all requests, from whomever or for whatever, should be directed through the District Chair.

Many thanks for your cooperation in this matter.

Peter Walker.

District Chair.

FOR ENGLAND AND WALES

9th Hastings go Rock Climbing

Last half term our Scouts went rock climbing for the first time.

We hope to go back for more sessions to complete their climbing badge, later this year.

The children learned how to safely use the equipment, put on harnesses and tried many different types of wall, whilst leaders, young leaders and parents helped belay, after being shown by the instructor.

It was great for the parents to help and see their children achieve great feats, and take part in fun climbing competitions and challenges.

Merry Merrymead

Assistant Scout leader, 9th Hastings

Chief Scouts Award Presentation

The presentation of Chief Scout Awards across all sections will take place at St Mary in the Castle on Sunday 5th April at 2pm. Would all leaders please give names of recipients to their ADC by Sunday 22nd March so certificates can be printed. If any badges need awarding, please also contact the ADC as soon as possible. The last presentation was July 2018.

Any questions please contact

Jane Hart,

ADC Beavers
